Applications:

Ice Cube Tray is a handy tool for both home and commercial use. It comes in different sizes such as small, medium and large, giving you the flexibility to store the exact amount of ice cubes you need. It is dishwasher safe and can handle temperatures ranging from -40°F to 230°F. Moreover, it is made of high-quality materials such as plastic and silicone, making it freezer safe and easy to clean. With its lid, the Ice Cube Tray can be easily sealed, ensuring that your ice cubes stay fresh. It is also great as a silicone ice ball mold and ice tray mold with lid.
