Product Description

Product Description:

With a capacity of 1300ml, 1000ml, and 3000ml, you can store a variety of different foods and liquids. The Silicone Food Bag is also leakproof, so you don't have to worry about any spills or messes. Plus, it's odorless, so your food won't pick up any unwanted smells or flavors.

The Silicone Food Bag has a square shape, which makes it easy to store in your fridge or pantry. You can even use it in the freezer or microwave, as it's able to withstand extreme temperatures.

Not only is this bag good for the environment, as it's reusable and reduces waste, but it's also convenient for you. You can easily clean it by hand or in the dishwasher, and it's lightweight and compact, making it easy to take with you on the go.

Invest in the Silicone Food Bag today and say goodbye to single-use plastic bags and containers. Your food will thank you for it!
